At the police station, Bubba explained to the police officer why his cousins shot him.

"Well," Bubba began, "We wuz havin' a good time drinking, when my cousin Ray picked up his shotgun and said, 'Hey, der ya fellows wanna go hunting?'" "And then what happened?" the officer interrupted. "From what I remember," Bubba said, "I stood up and said, 'Sure, I'm game.'"

Just a Thought . . . I really try to be nice most of the time but there are a few things that really bug me. Just let me ask you...if you bought milk in Walmart and it was sour, would you be mad at Walmart or the cow it came from or one take it out on one if your friends that work there? I get really angry when the wrong person is blamed for what goes on and something they have no control over. When I worked at the school in Granville, I quit going downtown because people would blame me and be mad at me for stuff I knew nothing about. One time I was screamed at in the Branding Iron for making a kid sit on the bench. Was it my fault that they had hit another kid? Yes, apparently it was. Another question ~ Why do people always mention the bad things (or what they think is bad) and never, never the good stuff. I read this on FB:

3 Ways to Fail At Everything in Life

1. Complain about everything.

2. Blame others for your problems.

3. Never be grateful for anything.

A lady from the city and her traveling companion were riding the train through Vermont when she noticed some cows. "What a cute bunch of cows!" she remarked. "Not a bunch, herd", her friend replied. "Heard of what?" "Herd of cows." "Of course I've heard of cows." "No, a cow herd." "What do I care what a cow heard. I have no secrets to keep from a cow!"

Only in This Stupid World.....

do drugstores make the sick walk all the way to the back of the store to get their prescriptions while healthy people can buy cigarettes at the front.

Only in This Stupid World....

do people order double cheeseburgers,
large fries, and a diet Coke.

Only in This Stupid World.....
do banks leave vault doors open and then
chain the pens to the counters..

Only in This Stupid World.....
do we leave cars worth thousands of
dollars in the driveway and put our useless
junk in the garage.

Only in This Stupid World..... do we
buy hot dogs in packages of ten and buns
in packages of eight..

Only in This Stupid World.....
do they have drive-up ATM machines with
Braille lettering.

EVER WONDER ...

Why the sun lightens
our hair, but darkens our skin?

Why don't you ever see the
headline 'Psychic Wins Lottery'?

Why is 'abbreviated' such a long word?

Why is it that Doctors call what they do
'practice'?

Why is lemon juice made with artificial
flavor, and dishwashing liquid made with
real lemons?

Why is the man who invests all your
money called a broker?

Why is the time of day with the slowest

traffic called rush hour?

Why isn't there mouse-flavored cat food?

Why didn't Noah swat those two
mosquitoes?

Why do they sterilize the needle for
lethal injections?

You know that indestructible black box
that is used on airplanes? Why don't
they make the whole plane out of
thatstuff?!

Why don't sheep shrink when it rains?

Why are they called apartments when
they are allstuck together?

I like this one!!!

If con is the opposite of pro, is Congress
the opposite of progress?

If flying is so safe, why do they call the
airport the terminal?

Now that you've smiled at least once, it's
your turn to spread the stupidity and
show this to someone you want to bring a
smile to

(maybe even a chuckle)

..in other words, show it to everyone. We
all need to smile every once in a while.

Spread the Stupidity!

Interviewer: "Do you have any special plans for spending all of that money?"

Farmer: "Nope. Not really. I'm just gonna keep farming until the lottery money is all gone."
